## 2025 Orientation Leader Application

Below, you'll find the application questions for the Orientation Leader position. Use this form to prepare and write your answers before completing the application.

**Please note that the application form does not have a save feature, so it must be submitted in one sitting.**

You have the option to respond to each question either by typing your answers or by uploading a video for each question. Taking the time to prepare your responses here will help ensure a smooth application process. Good luck, and we look forward to learning more about you!

### Questions for first-time orientation leaders:

If you have never been an orientation leader at TCU, please answer the following questions.

- Why are you interested in being an Orientation Leader?
- What skills or experiences do you hope to gain as an Orientation Leader?
- What three personal strengths set you apart, and how have you used them to achieve your goals?
- Describe a time when you helped someone feel included or welcomed in a new environment.
- What makes Texas Christian University special to you?

### Questions for returning orientation leaders:

If you have served as an orientation leader at TCU before, please answer the following questions.

- Why are you interested in returning as an Orientation Leader?
- How do you envision the role of a returning Orientation Leader in supporting and contributing to the team's success?
- What three personal strengths set you apart, and how have you used them to achieve your goals?
- In what ways do you hope to develop your leadership skills as a returning OL?
- What makes Texas Christian University special to you?
